Working For Second Win

These 9 and 10 year olds are working hard on the practice field in preparation for Saturday night's game here against Brookneal. Game time is 6:30 p.m. in Bragg Stadium. The 11-12 year olds will battle Evington at 8 p.m. Last Saturday was a great "opener" for all three of the younger football teams of Appomattox County. "The Dyna-Mites" (very unofficial title for the eight year olds) roared off to an 18-0 victory over Timberlake at Brookville School. The 9-10 year olds ("Mites") polished off a corresponding age group team to the tune of 35-0 and the 11-12 year olds "held their own" with a 0-0 mark in the last game of the evening. For the 8 year olds it was their very first football game as contestants and about 200 Appomattox parents and fans had quite an evening! Eight year olds play Vista Acres Saturday afternoon at Rustburg. Game time: 5 p.m.

Director Due In September

Appomattox County and its associates in the four-county health district, Prince Edward, Buckingham, Cumberland and Appomattox, will have a health director starting September 15.

Dr. Robert Earl Parmenter, now residing on Route 2, Cumberland, will take over the post of district health director approximately September 15. It has been vacant since the retirement of Dr. F. J. Clements approximately two years ago.

Dr. John D. Hammer, as regional health director, has been supervising the health departments in the four counties. Dr. R. W. Mosely is deputy director, Division of local Health Services, Virginia Department of Health. Appearance of the new health director is on the agenda of Friday mornings Board of Supervisors' meeting in Appomattox.

Dr. Mosely has notified supervisors of at least one other of the associate counties of proporsals to rearrange health district lines to conform, at least in part, to Virginia's new regional planning districts. According to Dr. Moseley's report, Governor Godwin has directed that this and similar public services be realigned to match the geographical groupings due in the planning district.

Appomattox will be split off to be grouped with Campbell, Amherst and Bedford counties and the City of Lynchburg. This will conform to the same Lynchburg metropolitan area as designated for the planning district there.

A new health district of Prince Edvard, Buckingham, Cumberland, Charlotte, Lunesburg and Nottoway County, with Amelia County to be added later is anticipated about January 1, 1970, according to Dr. Moseley.

Physician Addresses Public Meeting Here

There's a yearly "combination meeting" which is both "enjoyable and informative", according to Woman's Club members and their guests who sat down for a sumptuous delicious "covered dish" dinner Monday evening, then met with members and guests of the Appomattox United, Va. Division American Cancer Society to hear Dr. Wilbur F. Burger, who has recently become associated with Drs. Scott, Sackett, Glenn and Shotton of Lynchburg.

During this annual public meeting of the Cancer Unit, Dr. Burger told his audience, "Don't be part of a 'generalization'." He urged each person present to be on the alert for the "seven danger signals" that indicate the possibility of a cancerous growth or some other condition requiring a physician's or surgeon's attention.

"People are people - each patient is an individual", he continued, explaining that a practioner's treatment of each case needs to be individualized, also, for the best possible outcome.

He spoke of the club members and guests as part of an important group outside the immediate medical profession where the "team gets larger." Education is vital, he said, so that people will seek out the doctor for early detection of cancerous growths.

One way to combat the rising figures of cancer cases in Appomattox and area, he said, would be a "mass screening" of the population, which would include intensive and complete examination of each adult for possible symptoms which might need attention.

Dr. Burger's specialty is internal medicine. Prior to his move to Lynchburg Dr. Burger was for two years associated with the Hematology and Oncology Section of the Andrews Air Force Base Hospital, Maryland.

Dr. Burger's wife accompanied him to the meeting, and both were guests of Mr. and Mrs. H. C. Pulliam earlier in the evening.

Officers of the Woman's Club were hostesses for the club dinner. President is Mrs. Charles Hill.

Claude Anderson Speaks Here Mon.

Representative Claude Anderson was the featured speaker Monday evening as Spout Spring Ruritans met at the Spout Spring School for a family picnic. The club grilled hot dogs and hamburgers for everyone.

Rep. Anderson spoke concerning actions of the last General Assembly.

Nineteen members and two visitors were present for the meeting.

Club officers reported that more than $278 was cleared by the club because of the appearance here of Royson Bros. Circus. This money will be used for civic improvement projects.

Lions To Meet

District Governor Dr. Edward Meyers from Richmond, will make his official visit to Appomattox Lions Club Thursday night. All Lions are urged to be present as we would like to have 100% attendance at this meeting.

There will be a meeting of the Board of Directors following this meeting.

New Pastor

Elder H. N. Bresee, pastor of the Appomattox-Cumberland district has moved to the Southwest corner of the Potomac Conference to become pastor of the Applatachia-Pennington Gap district. Elder Joseph G. Reams Pastor of the Danville district, replaces Elder Bresee.

Here are some of the winners of Saturday's contest. Their shining trophies and brand new baseball mitts were a conversation piece Tuesday in the classes attended by (l to r): Danny Scruggs, Mike Lewis, Tommy Wheeler, Mike Wooten, Mike Quinn and Andy Wingfield.

Jaycee Baseball Grand Slam

A light rain dampened the field but not the spirits of approximately thirty boys Saturday during the Appomattox Jaycee Baseball Grand Slam Contest at the High School Football Field. Local Jaycees were available to assist the boys, age 8 thru 13, in demonstrating their skills in running the bases, throwing and hitting a baseball. All first place winners received a beautiful engraved trophy while the runner ups were awarded an official little league baseball.

The first and second place winners in each age group were as follows:

8 year old: Mike Wooten, first place; Kent Ford, second place.

9 year old: Andy Wingfield, first place; Danny Scruggs, second place.

10 year old: Tommy Hix, first place; Ronnie Harvey, second place.

11 year old: Mike Lewis, first place; Ted Trent, second place.

12 year old: Mike Quinn, first place; Tommy Wheeler, second place.

13 year old: Robert Smith, first place.

Mike Lewis led all competitors compiling a total of 352 points.

The Appomattox County Jaycees would like to thank all the boys and parents that turned out for the event and are looking forward to sponsoring the contest again next year.
